Annual Reports

2018-2019 Camp 789 Report

Yay Camp!

In the summer of 2018 Camp789 had about 60 students in attendance along with 6 adults and the ENC worship team. Our speaker was Jerrod Covert from the Southwest Ohio District and he spoke to us about what it meant that we were image bearers of God. It was a great week full of fun, worship, life change, and many many memories.

As we look to this upcoming camp season some needs we will have are camp staff. We were very understaffed last year and this is a problem. Camp this summer is focused on our theme of salt and light. How do we become salt and what does it look like for those in our places of influences to see the light of Christ in us. We'll be doing some hands on activities as we dive into our theme.

The ENC activity team will be with us this year helping out with much of our mid-day fun and we're excited to have them. Caleb Lynch is Co-Directing with me this year and has been a significant help in the planning process for camp.

We are excited to have our 789 students with us this summer and look forward to July 29th in great anticipation of what God is going to do and the fun we are going to have.

Carey Dunlop
Director Camp789

Festival of Life 2019

The District FOL Event was hosted by the Owego Nazarene Church from Friday, Jan 25 to Saturday, Jan 26. The theme was "made." The theme verse was [Genesis 1:27 \(NIV\)](#) "So God created mankind in his own image, in the image of God he created them; male and female he created them."

Together we celebrated:

being made in God's image,
being uniquely made by God and
being made for a purpose.

Guest speakers included Pastor Carrie Dunlop from Rochester Calvary, Pastor Leland Buerman from Community North and Pastor Heather Brown from Horseheads Grace. Friday evening games, and Pizza party as well as the Saturday morning breakfast were organized and generously provided by Pastor Caleb Lynch and the Owego youth ministry team. Thanks to the Golden's for running sound both days and for the youth who lead worship on Friday evening.

There were 15 churches represented at District FOL by the 74 attending youth in grades 6th -12th and their 38 fearless leaders who helped transport, encourage, instruct, and hang with the youth during FOL.

The Field FOL was hosted at Eastern Nazarene University from Thursday, March 28 - Sunday March 31. Upstate was represented by 77 individuals (50 youth participants and 27 adult leaders). It was a great time of fun, fellowship, worship and being encouraged through God's word.

Purpose of Festival of Life:

Young Adult Retreat 2019

Camp Report

Eric Olsen - Director

After having been through this year's retreat, I am encouraged as to the state of our young adult ministry on this district. Mark Cooper led us through Ezekiel 37, speaking on how God is calling the young adults of his church to own their faith. I felt that the topic resounded with those who attended, and Mark's delivery and insight were authentic and well-received. Additionally, Cameron Smith did an excellent job of leading worship, which created an atmosphere conducive to the receiving of God's wisdom throughout each of our sessions.

I'm pleased to note as well that the retreat maintained the heightened attendance numbers from last year. Given that we saw a doubling in attendance last year over the year prior, one of my primary concerns going into this retreat was to continue this forward momentum and hopefully move the year over year attendance average from 20-25 closer to 40-45. Initial signup numbers seemed to predict that attendance would sit at around 25 young adults, but last minute signups and attendees showing up midway through the retreat brought our total attendance to 41 for the weekend. I believe this underscores a couple points that we should take note of going forward.

Firstly, it demonstrates the efficacy of our current price point. In the two years that we have dropped the retreat price from \$75 to \$35 we have seen a doubling in average attendance. This suggests that the higher price is a markedly limiting factor on retreat attendance, which makes sense given its target audience. Given that we are able to offer the reduced price due to a donation, it may be wise to consider ways to preserve this price indefinitely through some sort of fundraising.

A second takeaway of note comes from that fact that a large percentage of attendees this year either registered less than 10 days prior, or did not register at all and simply showed up. This presented less of an issue this year, as we had prepared enough food/housing to support the final number, but had we experienced this with the number of pre-registered attendees we had last year there may have been a serious logistical problem. I feel that the number of last minute attendees stems from a mixture of shortcomings in advertisement and lack of incentive to register early. It may be of benefit to have a brainstorming session on ways to better advertise via social media, as this is the primary path through which young people will hear about all of our camps, not just Young Adult Retreat. In regards to an early signup incentive, I hesitate to disallow day-of attendees, as I don't want to turn anyone away, but perhaps an incrementally increasing price would drive earlier signups while also offsetting some of our cost.

Overall, I'm happy with how the retreat went, and am excited to see what God has in store for next year!

2018 Senior High Camp Report

We serve an awesome God. It never ceases to amaze me how He brings everything together each year. We see how He has been working in people's lives from the beginning of the week to the end. It is not just the youth that is impacted but counselors and staff as well.

We had sixty-four youth at Senior High Camp this year. There were thirteen tenth graders, nineteen eleventh graders, nineteen twelfth graders, nine that had graduated and four that didn't list their grade. The numbers for female and males were split at thirty-two each. Twenty-five churches were represented plus a missionary teen from Guatemala.

This year we had two teams from Eastern Nazarene College, a worship team, "MOSAIC" and a games team, "CREW". There were seven people on the MOSAIC team and six on the CREW team. Both teams did a great job with our teens.

Bob Keuther, a familiar face on the Brooktondale Campground, was our speaker this year. He always does a great job connecting with the youth and giving direct, relevant messages to them. He also shows that he genuinely cares for each one.

God again placed wonderful counselors and medical staff to be with our teens. Bert Wilmot was our camp nurse this year. But she has always been more than just "the camp nurse". She has been the "mom" away from home. She has spent a large part of her time listening to and praying with the teens. She always seems to know just what to say.

We had eight counselors. I can't thank Leland Buerman, Caleb Lynch, Aubrey Lyon, Leigh Ann Martin, Kailey McGrath, Jack Schmitt, Aaron Stiles and Bekah Zolkosky enough for their willingness to minister to the teens during this week. They each definitely have been given special gifts and God's love was seen through them.

It is always a pleasure to watch God work in the lives of our youth during the week of camp and to see how it shapes them for their journey for after camp. Thank you for the opportunity to come along side others on the district to work with our youth. It is a pleasure, and strengthening for me, to see the work God is doing in their lives.

Pastor Doug Parks
Director

Fall Retreat

This year's fall retreat was my favorite of those that I have had the privilege to direct thus far. Even in the midst of one of the busiest seasons of my life, God showed up and we saw Him move in a powerful way at last year's retreat. Our theme of "Sent Ones," seemed to resonate and we were able to see some students express a call in our time together.

We were at Camp Lamoka for the fourth year in a row. Per usual, the camp treated us very well and we even were able to go tubing as one of our Sunday activities! We were extremely thankful for our ENC worship team and all of their hard work. They had a great time hanging out with students, playing games and leading us at each session. We are also incredibly thankful for all of our volunteers. The weekend would not be possible without these fantastic human beings!

Our speaker, Tito Rivera, was from the Metro NY District and he brought a whole new energy to Upstate. In addition, we also had a very insightful panel discussion led by the Millers and students who had the opportunity to go on mission trips last summer. Not only did our teens get to hear from the Miller family and the work they are doing, they also heard the heart of their peers and how God is calling them and moving in their lives.

Lastly, we were able to continue our tradition of having an experiential prayer session and discussion time later that day. I am always interested to hear how students hear from God on these weekends and I can say that each service; from the panel, to the prayer time, leading up to the Sunday evening call to prayer, I was continually surprised and humbled at how palpable the Holy Spirit was. We had students leading one another in prayer, discussing how they felt God moving in their lives and making commitments to follow Christ. All glory to God!

As we look ahead to the 2019 Fall Retreat, we will be returning to Camp Lamoka! **Save the date: October 11-14, 2019.** The price will remain the same as last year. I am excited to try something a little different involving some of our student leaders. Stay tuned!

Pastor Noelle Eichenberger

Young Adult Representative Report

The young adult category has grown so much this past year. There have been many young adults from all different churches coming together for events such as the young adult retreat and hiking trips that happen in the fall.

Many churches are starting a young adult program as well as getting the word out for district young adult events. This coming year, the council is planning on releasing new events to grow this ministry under the NYI umbrella and with the guidance of our newly created young adult sub-committee.

We are excited and thankful for the support from the district as we show these adults that there is a place for them after high school! We are ready to keep planning and growing our spiritual lives so we can go out into the world and share God's love!

NYI District President's Report 2018-2019

It has been an honor to serve our district for the last year as your NYI President. As I write this, our convention is still a few weeks away and I am in awe of the movement I have seen among our teens and young adults in the last year. God is so faithful. Always.

On the district level, it feels like we are finally tying up some loose ends from some of the changes that have occurred in the last few years. As a counsel, we have put together an important safety policy for adult leaders and youth pastors. This policy is meant to not only protect our students and adult volunteers, but also to model accountability as Christ-followers and allow for consistency in expectations at all district level events.

Another change comes from the counsel's recent creation of a young adult sub-committee, made up of representatives who currently serve on the counsel. This team is operating under the NYI umbrella but has been trusted to shape the post-high school and college connection and to create meaningful ministry opportunities on a district level, recognizing that these are formative years in one's faith journey.

Perhaps the biggest accomplishment of the year has been the opportunity to see and experience the growth of our students. We have had several students take part in short-term mission trips. Many of them shared during a special panel discussion at fall retreat. Still more students are currently leading in their local churches and some have even expressed a call to ministry. It is always a joy to attend our camps and retreats and see students, professing Christ, renewing their commitment, and having the willingness to be molded in His image. This is why we labor together. We celebrate these Kingdom wins, together.

Excitement is growing for this year's Nazarene Youth Conference! Upstate is sending 74 people (13 adults and 61 students) to Phoenix, Arizona in July. I ask that you join me in prayer, that all would experience God in a fresh, powerful way and would draw closer to Him.

Looking ahead, we are excited for the upcoming young adult retreat, summer camps and fall events and the counsel looks forward to serving both students and youth leaders in Upstate New York. To quote our Vice-President, Pastor Heather Brown, “We are thankful for the innovation, networking and lives poured out for and through our teens.” Once again, God is faithful. Always. And we are better together.

Pastor Noelle Eichenberger
